SUPPLEMENTARY INFORMATION:

Section 3506 **of** the Paperwork Reduction Act **of** 1995 (44 U.S.C. Chapter 35) requires that the Office **of** Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose **of** the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Information Management Case Services Team, Regulatory Information Management Services, Office **of** the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission **of** these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type **of** review requested, e.g., new, revision, extension, existing or reinstatement; (2) title; (3) summary **of** the collection; (4) description **of** the need for, and proposed use **of**, the information; (5) respondents and frequency **of** collection; and (6) reporting and/or recordkeeping burden. OMB invites public comment.

The **Department of Education** is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions **of** the **Department**; (2) will this information be processed and used in a timely manner; (3) is the estimate **of** burden accurate; (4) how might the **Department** enhance the quality, utility, and clarity **of** the information to be collected; and (5) how might the **Department** minimize the burden **of** this collection on the respondents, including through the use **of** information technology.
